

Honeydew Bowling Club

GETTING STARTED...

STEP 1: COACHING

As with any sport, step 1 is learning the technical elements of delivering the bowl to give you a solid foundation into your future enjoyment of the game. This is also where you will be taught bowls etiquette. Once your coach signs you off you can then join your fellow members on the bowling green and start playing. Sign off will depend on how fast you grasp the fundamentals and reach play-ready stage.

- Coaching is FREE.
- Bowls are provided for you.
- There is no membership obligation. The choice is yours to take up membership (or not) either before, during, or after coaching.
